

BUKSH FOUNDATION
gateway to life

2 Villages

100 Households

and The Journey Continues

Buksh Foundation

Takes immense pride in announcing the formal launch of its project 'Lightning a Million Lives' (LaML)

With LaML we plan to light 4,000 villages in our 5 year plan which will impact 1 million lives. The journey to electrify the under privileged areas of the country has already begun with the foundation's initiative in Sahiwal District, Punjab, Pakistan. Come join hands in an attempt to preserve the global commons and help restore their hope in life.
