

ZONG & Buksh Foundation collaborate to Light up Rural Lives, Empower Women

Zong and Buksh Foundation enter into a partnership to light up rural lives through the project 'Lighting a Million Lives'. The formal signing ceremony of the Memorandum of Understanding (MoU) was held on March 7th 2013 in Islamabad. Fan Yunjun, CEO Zong, and Fiza Farhan, CEO Buksh Foundation, signed the MoU on behalf of their respective organizations. Under the partnership, Zong will sponsor the establishment of Solar Mobile Charging Stations in two villages in the District of Chiniot. This is the first time in the country's history that a telecom company is investing in a clean energy initiative to provide much needed lighting to those living in the depth of darkness in rural parts of the country.
